SERVICES

Sales: ABMS employs a top notch field sales team. Our goal is to anticipate the customer's needs through workflow assessments and proactive communication.

Sourcing: ABMS is contacted weekly by various end-users, purchasing agents, and contracting officers seeking our assistance in sourcing. Customers value ABMS' willingness to work with our strategic partners on their behalf.

Government Sales: ABMS diligently mines online resources for solicitations and government contracting officers routinely reach out for our services. We have been selling to the government for twenty-one years and we have sold into over 300 VA hospitals/clinics.
